Born Is The Enemy

Daysend

Cold and freezing
Holding nothing
I did all this for youDon't even call me your friend
You will not lose in the end
I see in front of me
Born is the enemy nowCold and freezing
Holding nothing
I did all this for you
Now there's nothing left for me to doThis is the start of something new
Stains of your guilt are left for you
I see in front of me
Born is the enemy nowDown
You're trying to bring me down
You're not gonna break meI did all this for you
You're going down
