If You Love Me

Van Morrison

If you love me
You will give your heart
Why should we be apart
If you love meIf you love me
You will know the truth
I wasn't born to lose
And I love youAffinity and communication
That makes reality
Understanding is the first thing
It means so much to meIf I love you
I will find the key
If it's meant to be
'Cause I love youAffinity and communication
That is reality
Understanding is the first thing
It means so much to meIf I love you
I will find the key
If it's meant to be
'Cause I love you
