

Like Wind Blows Fire

Cheers Elephant

La~ La~
Like wind blows fire
La~ La~
Like wind blows fire

Burn my bridges all behind
ah~ ah~ ah~ ah ah ah ah ah
It take your home and call it mine
ah~ ah~ ah~ ah ah ah ah ah~

A clerk of the scene of the crown
that think of your name
eh~ eh~ eh~ eh eh eh eh eh
What the thing i would've you blame

huh

La~ La~
Like wind blows fire
La~ La~
Like wind blows fire

I keep what I have and take what I get
ah~ ah~ ah~ ah ah ah ah ah
Get the fab reputation and lips' gray
ah~ ah~ ah~ ah ah ah ah ah

What you think that i don't know
oh~ oh~ oh~ oh oh oh oh oh
Lots of laugh for wind to blow

huh

La~ La~
Like wind blows fire
La~ La~
Like wind blows fire

And I get older and I take a look around
A life's so triangle let it get to beyond round

I hoped a fire comes in, blows before a wind

oh~ oh~ oh~ oh~ oh~
