

Have a Little Mercy

The Radiators

Have a little Mercy
Z Z Top (La Futura)
Have a little mercy
I want my baby back
Have a little mercy
Or give me cadialine
Have mercy miss percy
Give me pa dozza back
Have mercy
Love me like a Big Rolls Royce
Have mercy Love me like there ain't no choice
Have mercy miss Percy

Shucks, I'm gonna just cook somethin for ya.

(Solo)

Have a little mercy
I feel like diamonds and pearls
Have a little mercy
I feel like diamonds and pearls
Have mercy Miss Percy
you're driving me out of this world
Well if you will have a little mercy
You have the time.
Have a little mercy
have mercy
Coz you're mine all mine
