I Missed the Bus

Skankin' Pickle

I missed the bus, I missed the bus again
I missed the bus, I missed the bus againNow why'd you miss the bus? I dunno
We're you up late last night? I guess so
And were you watching TV? What kinda of TV, magnumbox
Well, that's no excuse, for what? For missing the busI missed the bus again, I missed the bus
I missed the bus againMy boss said to me
"You know you're gonna rot in your own toenail pus
Why do you always miss the bus?"I missed the bus again, I missed the bus
I missed the bus againSo there I am watching the bus leave me
I can't believe I missed the bus today
I have a bus pass that I have not used yet
Because I always miss the busI missed the bus again, I missed the bus
I missed the bus againNow why'd you miss the bus? I dunno
We're you up late last night? I guess so
And were you watching TV? Bet you're watching three's company
'Cause I love three's company, I love three's company
I love three's company but that's no excuse for missing the busI missed the bus again, I missed the bus
I missed the bus againMy boss said to me
"You know you're gonna rot in your own toenail pus
Why do you always miss the bus?"I missed the buss and I had no excuse
I missed the buss and there was nothing I could do
I missed the bus, there it goes, driving away
I missed the bus and there was nothing I could say
I missed the buss, I missed the bus again
I missed the bus, oh yeah
