Hot Rod

The Ranch Girls & the Ragtime Wranglers

You like it when I like you less
No caress, just undress
You like it when we play hard core
The panty war, then you get pussy galoreYou like it when I turn your back
Give you no slack, the slap attack
You like it when we leave parts on
When we're gettin' it onOn and on and on
On and on and on
On and on and on
On and on and onCome on, hot rod, give me, your wad
Come on, hot rod, give me, your wad
Come on, hot rod, give me, your wad
Come on, hot rod, give me, your wadYou like it when I like you less
No caress, just undress
You like it when we play hard core
The panty war, then you get pussy galoreYou like it when I turn your back
Give you no slack, the slap attack
You like it when we leave parts on
When we're gettin' it onOn and on and on
On and on and on
On and on and on
On and on and onCome on, hot rod, give me, your wad
Come on, hot rod, give me, your wad
Come on, hot rod, give me, your wad
Come on, hot rod, give me, your wadHuh, what, show me what ya got, rub it against my thigh
Huh, what, show me what ya got, rub it against my thigh
Huh, what, show me what ya got, rub it against my thigh
Huh, what, show me what ya got, rub it against my thighYou like it when I like you less
No caress, just undress
You like it when we play hard core
The panty war, then you get pussy galoreYou like it when I turn your back
Give you no slack, the slap attack
You like it when we leave parts on
When we're gettin' it onOn and on and on
On and on and on
On and on and on
On and on and on
On and onHuh, what, show me what ya got, rub it against my thigh
Huh, what, show me what ya got, rub it against my thigh

Huh, what, show me what ya got, rub it against my thigh
Huh, what, show me what ya got, rub it against my thigh
