Out Of My Mind

Will Young

All you have to do is think about it
All you have to do is think about it
All you have to do is think about it
All you have to do is think about it
Baby, you drive me crazy all the time
When you play me
I'm burnin' with the lies that you feed me
Chasin' my despair
(I can see you smiling till I'm over the edge)
Do yourself a favor
Realize you won every game, yea
'Cos it's plain to see that I'm a mouse of a man, yea
Get me out of my mind
I don't feel so good
(Breakin' down the walls while I'm fallin' apart)
Get me out of my mind
I don't feel so good
(Try to understand)
(Just think about it)
Lately, you reply with your lies that I'm fadin'
(Ahh, ah)
You leave me high and dry
Over, over, over
You trip me around
I tell you baby
To do yourself a favor
Realize you win every game
'Cos it's plain to see that I'm a mouse of a man
Yea, you made a mouse of the man
Get me out of my mind
I don't feel so good
(Breakin' down the walls while I'm fallin' apart)
Get me out of my mind
I don't feel so good
(Try to understand that I'm losing my heart)
Get me out of my mind
I don't feel so good
(Breakin' down the walls while I'm fallin' apart)
Get me out of my mind

I don't feel so good
(Try to understand)
(Just think about it)
Yea, yea, ah, ah, yea, yea, yea, yea
(All you'll ever do is think about it)
Yea, yea, ah, ah, yea, yea, yea
(All you'll ever do is think about it)
Breakin' it to you
I'm breakin' it to you
Breakin' it to you
(All you'll ever do is think about it)
Breakin' it to you
I'm breakin' it to you
(Ooo, yea)
(All you'll ever do is think about it)
'Cos you've got to
Get me out of my mind
(Breakin' down the walls while I'm fallin' apart)
Get me out of my mind
(Try to understand that I'm losin' my heart)
Get me out of my mind
Get me out of my mind
Get me out of my mind
(Try to understand)
(Just think about it)
