Aperture

Christopher Vassilakis

Will you be there, when I call, will you be there?
Will you be there, when I fall, will you be there?
Will you be there, oh, will you be there?Will you be there, when the darkness has no end?
Will you be there, when the light decends?
Will you be there, ah will you be there?Yes I will be there, when you call out to my name!
Yes I will be there, I am your light take my hand!
Yes I will be there, oh I will be there...
