

I Love To Fuck

Nobodys

I ain't no casanova.

I ain't no romeo.

I'll get you in the sack and then i guess you'll know...I love to fuck.

I love to fuck.

I love to fuck.

I love to fuck.I'll get you from behind.

I'll get you from the front.

I'll fuck you in the ass and then i'll fuck you in your cunt.I love to fuck.

I love to fuck.

I love to fuck.

I love to fuck.

I love to fuck.
