On Jesus' Program

Mark Lanegan

On Jesus' program
I'll wade out in the deep
Oh yes, I willOn Jesus' program
Oh, I cannot sleep
On Jesus' program
The Holy Spirit will creepI know He'll take me, shake me
Make me what I have to beOn Jesus' program
I'm working for Christ
Oh yes, I amOn Jesus' program
I know someday I'll rise
On Jesus' program
To mansions in the skyWhere I'll be free to live on
To live on eternallyI'm workin' on the program every day
When this life is all over
I'm going home
When this life is all over
I'm going home
