Old Friend

Rancid

Good morning heartache
You're like an old friend
Come and see me again
Good morning heartache
You're like an old friend
Come and see me againLook up you're in Cleveland again
A solid line that never ends
I've got stories that you'll never believe
And I know it I wear, I wear it on my sleeveThere must be somethin' about you that I liked but
Right here in the rain you know it just don't seem right
I always go out I never hide but in Cleveland
I should have stayed insideGood morning heartache
You're like an old friend
Come and see me again
Good morning heartache
You're like an old friend
Come and see me againTestify my love for you
And I know it runs deep through your body too
From the cold blacktop to the hot concrete
The old tan van it ain't so sweetGood morning heartache
You're like an old friend
Come and see me again
Good morning heartache
You're like an old friend
Come and see me againSomewhere in America in the city at night
We were far from home but you know it was gonna be alrightThe unfortunate get prayed on by vultures eyes
86 cents in these pockets of mine
And you can take my money, you can take my time
But you can't take my heart it's in the city behindGood morning heartache
You're like an old friend
Come and see me again
Good morning heartache
You're like an old friend
Come and see me again
