Feel My Way To You

Restless Heart

There was a black and white, now I'm only a sea of gray
I was satisfied, now there's just an empty space
I know only you hold just what I'm lookin' for
What I'm lookin' for
Do I pray for sweet redemption?
What am I supposed to do?
Now, do I wait for some direction
Or do I just feel my way to you?
What I'm searching for is just something more than this
I've opened every door, there must be something that I missed
Am I even close to the road that leads to you
Road that leads to you?
Do I pray for sweet redemption?
What am I supposed to do?
Now, do I wait for some direction
Or do I just feel my way to you?
Do I just feel my way to you?
Do I pray for sweet redemption?
What am I supposed to do?
Now, do I wait for some direction
Or do I just feel my way to you?
Feel my way to you
Do I just feel my way to you?
Do I just feel my way?
Do I just feel my way to you?
