On My Way Home

Steve Lukather

Advisory - the following lyrics contain explicit language:

Its a . where the hell am I,
Is that time a ., it seems that I just close my eyes,
sweats of last .the skies, uhhh uhhh.
I hear the .call,
to go
But .eyes theres a star to .,
soon but I dont care at all.
And as the years begins to show me,
My life in time see,
The years are here. I and change.
Chorus:
Well theres just another way in time,
Something buying deep inside
Never felt so tired on and on, (tired on and on)
Just a thousand lonely milessee you smile
...and Im a little stoned, Im on my way home.
My life in time see,
The years are here. I and change.
Chorus:
Well theres just another way in time,
Something buying deep inside
Never felt so tired on and on, (tired on and on)
Just a thousand lonely milessee you smile
...and Im a little stoned, Im on my way home.
[Chorus:]
