

The Best is Yet to Come

Hinder

My first make-out session
I learned my first lesson
While trying to get to the next base
When I slipped passed her waist
She smacked my hand away
Then I got a slap in the face If I could go back in time
Wouldn't change a damn thing in my life
Love the dumb things we do when we're young But the best is yet to come
My first drinking lesson
I followed all my friends
Stole liquor went down to the lake
Weed mixed with whiskey
Hell I got so dizzy was more than my stomach could
Take Go for it
Run toward it
Dive in head first
Live life with no regret
Put your heart out there
Don't be scared you might get hurt
