The Only One

Jimmy Page

Baby, I got a problem
I don't know what to do
Baby, I got a problem
Bleep me, it concerns you
You're the only one can help
I need you to
I know you can do it
You can do it if you try
My, my, my, my
You can do it if you try
Don'thold me back?, babe
Just scratch my back, babeBaby, scratch my back
Baby, scratch my back
Baby, scratch my back
Baby, scratch my back
Yeah, yeah, yeah
Scratch my backI'm feeling much better babe
Like I know I should do
Feeling much better, woman
All because of you
I knew that you could do it
You could do it if you tried
Come along baby
Come along tonight
Make me feel alright, baby
Come along tonight
Turn me round now
Turn me round and come along baby now, nowScratch my back
Yeah, now, scratch my back
Scratch my back
Scratch my back
Don'thold me back?
Scratch my back
