You Always Answer Me

Sisters

Many times she called out to You
Son of David, hear my plea
Unworthy of the children's bread
You still met her need
And like her, I'm unworthy but I've heard you call me child
So by faith I will wait on You, and know that all the while

You always answer me, right in my hour of need
Not always how I think You should,
But always for my good
You always answer me

It seemed the heavens were unopened
When I called upon Your name
Even so, come quickly Lord
In earnest hope, I pray
But my lowly expectations, for Your plans they were no match
Though broken when you finally came
You gave more than I asked

You always answer me, right in my hour of need
Not always how I think You should,
But always for my good
You always answer me

And how I know You will is that You've always been true
To Your word, You've always heard and led this willing one
So be it unto me, according to Thy word
According to Thy way, Thy will be done

You always answer me, right in my hour of need
Not always how I think You should,
But always for my good
You always answer me

Not always how I think You should
Not always what I want, but right when I need it
You're an on time God, and I'm thankful for it
You always answer me (3x)
