Let Me Bring You Up

Ron Dante

I have never seen you down,
So outta touch and turned around
Oh, baby, won't you let me bring you up?I've been wanting so to know you
Just give me the chance to show you
Baby, baby, let me bring you up.Let me fill your cup up,
Let me bring you up up.()
Oh there's some kind of love I wanna bring you
And there's some kind of song I wanna sing you
Let me sing you
Sha la la la la la la la la
Sha la la la la la
And bring you higher,
I wanna bring you higher
Oh let me bring you higher
Up a little bit higher
Up a little bit higher
I wanna bring you higher
Let me bring you higher.
Let me talk to you and hold you
Take the weight off of your shoulders
Baby, baby, let me bring you up.
I can do the things, the kind
You need to relax and unwind you
Baby, baby, let me bring you up.Let me fill your cup up
Let me bring you up up.(repeat)Higher
Higher
Oh higher
Oh higher
Higher
Let me love away your sadness
Somewhere up above the madness
Baby, won't you let me bring you up?
I've been wanting so to know you
Just give me the chance to show you
Baby, baby, let me bring you up.
(Sha la la la la la la la la
Sha la la la la la)(repeat and fade)
