Big Bang

Wonderwall

Sunday morning you wake up
Some people go to church - perhaps
Same time we drink sugar tea
Have our third breakfast
Wake up at three
You sit in church
Wait for the savior
But why?
Hey, we are hereChorus 1:
Singin'
Big bang
Forget all that
God and the rest
That's trash - say
Big bang
You'll go mad
'cause
'cause we are hereLook at you watch
Time come soon
The moment when you lock your room
Pam is walkin', pam is talkin'
Savin' lives on the screen
And that my boy makes you forget
You're
You're treated meanChorus 2:
Singin'
Big bang
Forget all that
Pam and her tits are trash - say
Big bang
You'll go mad
'cause
'cause we are hereChorus 1...dadada...Chorus 1Five dancin' boys from overseas
Oh, no - prefer our sugar tea
They kiss your feet right on stage
Tellin' lies on the bravo pages
Don't waste your time
On those honey boys
Hey, hey we are hereChorus 3:

Singin'
Big bang
