Footprints

Young Dreams

I think I gone it wrong
When I thought I will be alone
Everything I try to be just to find what it is in me
Breaking to an open door
Thinking I would find you
If I come back in your arms
I hope you will say
We all make mistakes it s ok
Go on the tears away
Told you that I ll be strong
When I feel alone there s a place where I can go
To wash away my fears
Although you never know
Too much that I can tell
I know you ll understand
Wait for the raise, my footprints in the sand
I wait you at the Batrich Fall
She feel bad but I want more
Maybe is better this way
The 90 swear I was to high
Then you call and I lie
I know just what your say
I realize I got it wrong
Thinking I ll be alone
When I fell alone there s a place were I can go
To wash away my fears
Although you never know
Too much that I can tell
I know that you ll understand
Wait to the raise my footprints in the sand
Bringing back
Bringing back, bringing back
Bringing back
Bringing back, bringing back
Ooo oooo ooo
Ooo oooo ooo
Ooo oooo ooo
When I fell alone there s a place were i can go
To wash away me fears

Although you ll never know
So much that I can tell
I know that you ll understand
Wait to the raise my footprints on the sand
