Wait

Stacie Orrico

You and I made mistakes
We've been in and out of arguments
And said some things we didn't mean to say, wait
This time you're not the one to blame
Sometimes I get a little too afraid
I didn't mean to cause you any pain
So wait
(Wait)
Ah, wait darlin'
(Wait)
Before you go and throw our love away
Can I get a minute to explain?
Now wait
(Wait)
Ah, think about it
(Wait)
Before you turn around and walk away
Baby, how can I get you to stay now, wait?
Now, I've been caught with my heart on
Time and time again, holdin' on, why
Boy you know, I'm so alone I
I just need a friend
And you've been so good to me
I don't wanna miss a real good thing
Wait
(Wait)
Ah, wait darlin'
(Wait)
Before you go and throw our love away
Can I get a minute to explain?
So wait
(Wait)
Ah, think about it
(Wait)
Before you turn around and walk away
Baby, how can I get you to stay now, wait?
You don't know what you do to me
Baby, won't you sit and talk to me
No, it doesn't have to be this way

Darlin' I'm just wantin' you to stay
You don't know what you do to me
Baby, won't you sit and talk to me?
No, it doesn't have to be this way
Darlin' I'm just wantin' you to stay
(Wait, wait)
So wait
(Wait)
Think about it everyday
(Wait)
Before you turn around and walk away
Baby, how can I get you to stay now, wait?
(Wait, wait)
(Wait)
Gotta wait, gotta wait
(Wait)
Yeahhh, oooh
I'm just askin' you to wait on me
Please wait
Ooh, please wait baby
Please wait
