Hold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tigerWhere's that tiger? Where's that tiger?
Here's that tiger
Where's that tiger? Here's that tiger
Where's that tiger? There's that tigerHold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tigerWhere's that tiger? Where's that tiger?
Here's that tiger
Where's that tiger? Here's that tiger
Where's that tiger? There's that tiger
Hold that tiger
