Ill be OK

McFly

When everything is going wrong
And things are just a little strange
It's been so long now
You've forgotten how to smileAnd overhead, the skies are clear
But it still seems to rain on you
And your only friends
All have better things to doWhen you're down and lost
And you need a helping hand
When you're down and lost
Along the way
Oh, just tell yourself, I'll, I'll be okNow things are only getting worse
And you need someone to take the blame
(Need someone to take the blame)
When your lover's gone
There's no one to share the painYou're sleeping with the TV on
And you're lying in an empty bed
(Lying in an empty bed)
All the alcohol in the world
Would never help me to beginWhen you're down and lost
And you need a helping hand
When you're down and lost
Along the wayJust try a little harder
And try your best to make it
Through the day
Oh, just tell yourself I'll, I'll be okYou're not alone
(You're not alone)
You're not alone
(You're not alone)
You're not aloneJust tell yourself I'll, I'll be ok
Oh, just tell yourself I'll, I'll be ok
Won't you tell yourself I'll?When you're down and lost
And you need a helping hand
When you're down and lost
Along the wayTry a little harder
And try your best to make it
Through the day
Oh, just tell yourself, I'll, I'll be ok
I'll, I'll be ok, I'll, I'll be ok
