# Modern Massacre

## The Temperance Movement

Crowd chasing and I roll it all away
I only said I'll look now, on trial in my civil rights
And all the people said [?]
Modern massacre, modern massacreI take on blinded eyes, and I say you gonna learn the part now
You gonna leave this world tonight
Love save you from the judgement coming
Modern massacre, modern massacre
Modern massacre, Reds he told me
He said the saints try to rob the universe
I know when the cookie turns, you gonna see in circle go round
No dream gonna hold him down
I said, mamma don't leave till the bell man shout
She go ooh, she go ooh, she gets loose
She go ooh, she go ooh, she gets looseWho knows when it's gonna change
Who knows when it's gonna break
Who knows he was all forsaken
Count on me now, 123
We gotta, modern massacre
Modern massacre, modern massacre
How you gonna shake it if your paradise is lost
I know when the cookie turns, you gonna see in circle go round
No dream gonna hold him down
I said, mamma don't leave till the bell man shout
Modern massacre, modern massacre
Modern massacre, Reds you told me
He said the saints try to rob the universe
I know when the cookie turns, you gonna see in circle go round
No dream gonna hold him down
I said, mamma don't leave till the bell man shout
