Gay Messiah

Rufus Wainwright

He will then be reborn
From 1970's porn
Wearing tube socks with style
And such an innocent smileBetter pray for your sins
Better pray for your sins
'Cause the Gay Messiah's comingHe will fall from the star
Studio Fifty Four
And appear on the sand
Of fire island's shoreBetter pray for your sins
Better pray for your sins
'Cause the Gay Messiah's comingNo, it will not be me
Rufus the baptist I be
No, I won't be the one
Baptized in cumWhat will happen instead
Someone will demand my head
And then I will kneel down
And give it to them looking downBetter pray for your sins
Better pray for your sins
'Cause the Gay Messiah's coming
