

What's Wrong

The Secret Handshake

(Huh)

In one quick motion baby I saw that you turned away

Feelin like a girl whose not enough

Enough for today

And in that motion I thought

I thought that I heard you say

Never again love What's wrong?

Your acting kinda strange

Ain't treating me the same

[x2]

She said

I don't wanna have a bad night

I don't wanna have a bad day

I just want to be loved

Have my problems fade

I don't wanna have a bad night

I don't wanna have a bad day

I just wanna have a good time I never thought that I would

That I'd be begging you

That I'd be wanting you to

To stay just one more day

I never thought that I would

That i would have to do this

We've been together so long, love

And now it's the last day

And I know there's something you wanna say to me

About the way you've been feeling What's wrong?

Your acting kinda strange

Ain't treating me the same

[x2]

She said

I don't wanna have a bad night

I don't wanna have a bad day

I just want to be loved

Have my problems fade

I don't wanna have a bad night

I don't wanna have a bad day

I just wanna have a good time I know your gonna leave me

(leave me, leave me)

I know you've been deceiving
(deceiving, deceiving)
I know your gonna leave me
(leave me, leave me)
Tonight What's wrong?
Your acting the same
Ain't treating me the same
[x2]

She said

I don't wanna have a bad night
I don't wanna have a bad day
I just want to be loved
Have my problems fade
I don't wanna have a bad night
I don't wanna have a bad day
I just wanna have a good time
What's wrong?
Your acting kinda strange
Ain't treating me the same
[x2]

She said

I don't wanna have a bad night
I don't wanna have a bad day
I just want to be loved
Have my problems fade
I don't wanna have a bad night
I don't wanna have a bad day
I just wanna have a good time
