Peace Of Mind

Blue Cheer

(Randy Holden)
Peace of mind
To find is not easy
When the one you love you don't trust
When I picture the image of someone else beside her
I see a reflection of violence
And emotion of life that is used
Oh, oh-oh-oh, oh, ooohhh
Oh, oh-oh-oh, oh, ooohhh
I see a reflection of violence
And emotion of life that is used.You will see
That the mind cannot furnish
Things that you want were gone
What can I see
When the one thing that you had had passed
Is not pretty
You want to love so bad
But you bleed through every time.
Oh, oh-oh-oh, oh, ooohhh
Oh, oh-oh-oh, oh, ooohhh
You want to love so bad
But you bleed every time.You said, you said you loved me
Yeah, more than you do
And you go and take everything I ever did and give to you
And throw it all away yeah, yeah, yeah
Throw it all away yeah.
Why!? Why!? Why!? Why!?
Why!? Why!?
Why!?
