Happy As Can Be

11 Acorn Lane

I'm happy as can be.
Happy being me.
Everything is going my way.
So listen to me say:
I'm happy as can be.
(happy, happy)

the sun is shining in the sky (sun is shining)
I need a piece of apple pie (apple pie, apple pie)
take my hand and walk with me:
there's so much beauty here to see
shining, shining so deliting
all the world (all the world)
is one big smile!

I'm happy as can be.
Happy being me.
Everything is going my way.
So listen to me say:
I'm happy as can be.
(happy, happy)2 times

(hook)

I'm happy as can be.
Happy being me.
Everything is going my way.
So listen to me say:
I'm happy as can be.
Happy being me.
I want to welcome you
I hope you sing with me:
we're happy as can be!
I'm so (happy), I'm so (happy), I'm so (happy).
