# Are the Good Times Really Over

## Randy Travis

I wish a buck was still silver
It was back when the country was strong
Back before elvis, before veitnam war came along
Before the beatles and yesterday
When a man could still worked still would
Best of the free life behind us now
And are the good times really over for goodAre we rolling down hill like a snowball headed for hell
With no kinda chance for the flag or the liberty bell
Wish a ford and a chevy
Would still last ten years like they should
Is the best of the free life behind us know
And are the good times really over for goodI wish coke was still cola
And a joint was a bad place to be
It was back before nixon lied to us all on tv
Before microwave ovens
When a girl still cooked and still would
Is the best of the free life behind us know
And are the good times really over for goodAre we rolling down hill like a snowball headed for hell
With no kinda chance for the flag or the liberty bell
Wish a ford and a chevy
Would still last ten years like they should
Is the best of the free life behind us know
And are the good times really over for good
