NERVOUS BREAKDOWN

abingdon boys school

Tell me why, you never gonna take the ride,
Don't know why, you never gonna stay in sight,
I just wanna know what the hell is goin' downWhat can I do to make you feel right,
What kinda fool if I make you cry,
Give me a break!
You'd better change your stupid ways,
Before I go awayI just wanna hold you tight,
I just wanna feel your sigh,
Wanna be with you tonight,
So baby, don't let me down
I know how to satisfy,
I know you want me tonight,
Never show me what's inside,
You cause my nervous breakdownTime is right, I'm gonna get you playin' high,
It's alright, I'm gonna get you shinin' bright,
Really wanna know what the hell you're feelin' nowWhat can I do to make you feel right,
What kinda fool if I make you cry,
Give me a break!
You'd better change your stupid ways,
Before I FADE awayI just wanna treat you right,
I just wanna see your eyes,
Wanna kiss you through the night,
So baby, don't let me down
I know how to satisfy,
I know you want me tonight,
Never show me what's inside,
You cause my nervous breakdownYou drive me crazy,
Soon I will make you downTell me why, you never gonna take the ride,
Don't know why, you never gonna stay in sight,
Give me a break!
You'd better change your stupid ways,
Before I go awayI just wanna hold you tight,
I just wanna feel your sigh,
Wanna be with you tonight,
So baby, don't let me down
I just wanna treat you right,
I just wanna see your eyes,
Wanna kiss you through the night,
I know how to satisfy,

I know you want me tonight,
Never show me what's inside,
You cause my nervous breakdown
