Dream Lover

Tracey K. Houston

Every night I hope and pray
A dream lover will come my way
Hold in the lovin' arms
And know the magic of her charms
'Cause I want
(I want)
A girl
(A boy)
Just to call
(To call)
My own, I want a dream lover
So I don't have to dream alone
Dream lover, where are you with the love, oh, so true?
And the hands that I can hold
Count the minutes as we grow old
'Cause I want
(I want)
A girl [unverified]
Someday I don't know how, I hope she'll hear my plea
Some way I don't know how, she'll bring her love to me
Dream lover, until then I'll go to sleep and dream again
That's the only thing I could do to make my lovin' dreams come true
'Cause I want
(I want)
A girl [unverified]
I want a dream lover so I don't have to dream alone
Dream lover don't wanna dream
(I don't wanna dream alone)
Dream lover, dream out, dream out, dream lover
(I don't wanna)
Dream alone, dream lover, let's dream, dream lover
Oh, my lovin' sweet dreams, dream lover
