Dear Tom

Wide Eye Panic

Who am I?
WHY YOU?
Why are you?
OR ME?
Why am I?
WHY YOU?
Who are you?
OR ME?

Trust you won't regret it.
Point of no return.
Faltered by obsession.
I'm giving back what you've taken back.
Heaven was mistaken.
Hell is near a decade.
Found what's now forgotten.
I'm taking back what you're giving back.

You suck!
FUCK IT, FUCK IT!
Suck!
RIP ME APART AGAIN!
Suck!
FUCK IT, FUCK IT!
Suck!
RIP ME APART!

Your hell is what you wanna be.
I don't even think you care who you are.
So take all that you wanna be.
Shove it up your dirty cocaine miniskirt.

Who am I?
WHY YOU?
Why are you?
OR ME?
Why am I?
WHY YOU?
Who are you?

OR ME?

Ostracize your council.
Collapse upon rock bottom.
Change the only answer.
You're giving back what I'm taking back.
Improvise confession.
Bewildered to your cause.
Try to play the victim.
I'm throwing back what you?re given back.

You suck!
FUCK IT, FUCK IT!
Suck!
RIP ME APART AGAIN!
Suck!
FUCK IT, FUCK IT!
Suck!
RIP ME APART!

Your hell is what you wanna be.
I don't even think you care who you are.
So take all that you wanna be.
Shove it up your dirty cocaine miniskirt.

You take all that I am and you shove it in my face.
To you it?s a shallow pleasure.
To me it seems like everything.

Who am I?
FUCK IT, FUCK IT!
Why are you?
RIP ME APART AGAIN!
Why am I?
WHY YOU?
Who are you?
OR ME?
