Total Destruction

DJ M-Zone

Twilight burn across the sky
Time has come the doom is near
Stillness rules this cloudless night
Armageddon is hereWoe to you
Earth and Sea
TOTAL DESTRUCTION12 days of total eclipse
Yet the stillness rules this night of mist
But slowly clouds of death are forming
The time has come to ReapBurning skies
Battle cries
TOTAL DESTRUCTIONThe end of mankind universe
So many battles yet to fight
Take heed foever learn
When the bells chime THE RETURN...Screams of fear
The doom is here
TOTAL DESTRUCTION
