Last Man Standing

Biohazard

Chorus Bring it on, here comes the mutherfucking pain Insane in the brain runnin like a freight train There's a war in my, I can't take the strain Say you prayers son, it's the final death bout I feel no remorse, I feel no pain If I gotta take you out it don't mean a thing I'm the punisher kid an I'm taking you out I'll be the last man standing Chorus Southside vato, anybody killer I kill like old patrone tequila Body baggin fools try to scheme for the skriller Your ass will be next if you try to deliver Snuff whole crews 'cause that shit is out dated Any actions that are pre-meditated Bring my enemies to his knees and I'm blasting Sen Dog will be the last man standing Chorus My blood starts pumping, racin through my veins I'm a cold blooded killah stalking my prey The taste of blood gets me high I'll fight to the finish, I'll fight till I die I rise and stand against anybody or anything In the end I will be, I'll be the last man standing I'm the last man and my name is Disaster Feel the wrath, I'll blast you if I have to I'm gonna crash and bash and smash and bust your ass in half So bow down, respect to the master Chorus
