I Don't Think About You (Original Mix)

Jan Blomqvist

I don't think about you.
I don't think about you.
I don't think about you.
I don't think about you.
I don't think about you.
I don't think about you.
I don't think about you.I don't think about you.
I don't think about you.
I don't think about you.The tape that I made you,
don't ever remind me of you.
I don't think about you.
When I notice your toothbrush
by the sink with a coath of dust...
No, I don't think about you.
Your smell on the pillow
helps me to let go
and not think about you.
The words that I made you
I remember and use...
Still I don't think about you
When I find your hair,
next to your jacket on my white desk chair...
No, I don't think about you.
