Hijinx

Karanda

I just found out
It's been too long now
The word is outThe time before didn't they take us hook and punker?
Their 'Jive alive' lines
They were funk
They were hi jinx, hi jinx, hi jinx tonight
We all know better but we just mightPullin' this off it's gonna take some
Big time schemin'
Take a fast tap dance, our feet'll be steamin'Ooh hi jinx, gotta hi jinx, hi jinx alright
Hi, hi, hi jinx, yeah, yeah
Who's who?
Who's who?You never know, no no
Behind the lines
Who's gonna showThe scandal high's been buzzin' through the mayhem
Tonight the word, we heard is
It might be themWoo hoo boy hi jinx
They were hi jinx, hi jinx tonight
Hi, hi, hi jinx, yeah, yeah, yeah
Who's who?
Who's who?Alright
