Worthy of Affection

Shane & Shane

Deliverer you brought us out of the miry clay
You set our feet upon a rock and you made us say
Holy is the Lord
We would declare your thoughts about us one by one
It'd be too many to count so we simply come
And sing of your great loveSo we sing..We lift our hands and sing!You are worthy of affection
Your the radiance of all of His glory
Let adoration fill this place
You hold everything together
By the word of your immovable power
We sing a song of praise!We are the broken down and we are the beaten up
But what could stop us from a song of unending love?
Holy is the lord
-MMMM
You are a treasure, the hope, the bright and morning star
You are the lover of our soul and you've won our hearts
We sing of your great love
So we sing
We lift our hands and sing!(repeat chorus)BRIDGE
Worthy are you Lord
Worthy are you Lord
O worthy are you Lord
Of all Praise
All Glory to you Lord
All Glory to you Lord
All Glory to you Lord
Forever More
Forever More(repeat chorus)Holy are you Lord
Holy are you Lord
Holy are you Lord
