Last Time Loving You

Rhonda Vincent

Standin'at my window just thinkin' of you
Watchin'n the rain not knowing what to do
Feelin' the pain and wishin'n we were through
But I'll wash away my old love, bring me someone new.Chorus
When the tears come fallin' down like rain from the sky
makes me feel lonely and I hang my head and cry
But there'll be another day and I'll start my life a new
It's a fast break from heartache and the last time lovin' youInstrumental BreakWe'll make a brand new start,
give love a second chance,
I'll put away the blue, you won't get another glance
You're nothing to me and baby that's fact,
I'm looking to the future and I'll never look back
