Over the Top

Pete Townshend

Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeahNo idea where my life began
But I am a fearless iron man
(I am a fearless iron man)
(I am a fearless iron man)Lost my arm, lost my eyes
Broke my feet, bruised my thighs
Head's on a cliff, hanging from a tree
Neck's on the beach with my elbow and my kneeOver the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeahMy eye looked around and discovered my hand
Together they uncovered my arm in the sand
The pieces of me come together as one
We all dance forever in the morning sunOver the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeahNo idea where my maker ran
But I am a fearless iron man
(I am a fearless iron man)
(I am a fearless iron man)
(I am a fearless iron man)
(I am a fearless iron man)Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeahOver the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeahOver the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
