Unpredictable You

Natalie Cole

Written by c. jackson & marvin yancy
I never know what you're thinking
I never could read your mind
I never know when I'll see you again
You might stop by but any time
You tell me we're going out on the town
And you won't be ready when you call
Sometimes you come later than you said you would
Bless your heart, sometimes you don't come at all
(unpredictable you) ha, ya (never know what you do) oh, you
(unpredictable you) but I love you, yes I do (yes I do)
You change like the weather, ha
And you're always on the go, woh, woh, woh
You're like a wheel of fortune, but when you're gonna stop nobody knows
But I can't help but love you, you, you're surely part of me
And if it's gonna be like this forever, well, then I'll say just let it be, let it be
(unpredictable you) jive turkey (never know what you'll do) yeah, yeah
(unpredictable you) but I love you, yes I do (yes I do)
I do, wooh, wooh, wooh, oh, love
Hoo, ah---, yeah---
(unpredictable) you change like the weather
(unreliable) see you whenever
(undependable) you never keep a promise
(unforgettable) but I love you, I love you
(unpredictable) you change like the weather
(unreliable) ha, see you whenever
(undependable) you never keep a promise
(unforgettable) but I love you, I love you, hoo
(unpreditable) baby, can you hear me?
(unreliable) oh, oh, oh
(undependable) undependable you
(unforgettable) unforgettable you
(unpredictable) unpredicable you
(unreliable) unreliable you
(undependable) undependable you
(unforgettable) baby, can you hear me?
(unpredictable) unpredictable you
(unreliable) unreliable you

(undependable) undependable you
