Out Of My Mind

The Stranglers

Out of my mind, I can't get you
Out of my mind, I can't get you
I'll tell you somethng, I feel hung over today
I'll tell you something, this head just won't go away

But when you smile, my day gets brighter
And in a while, my head's gone away
Out of my mind, I can't get you
Out of my mind, I can't get you

Let me tell you something, I'm high from talking to you
I'll tell you something, your smell works better than glue
And when you smile, I see the colours
And in a while, there's a world brand new

Out of my mind, out of my mind
Out of my mind, I can't get you
I'll tell you something, I got to see you today
I'll tell you something, nothing can get in our way

And when you smile, I see the sunrise
And in a while, out of things to say
Out of my mind, I can't get you
