Please Rewind

Hundreds

Walk down the aisle
To the black door
And open it
Please open it
Like I did before
I won't promise
You'll find your way
You'll hit the core
Come what may
Please rewind
Please rewindPut on your armor
Carry my guns
Sharpen your teeth
And sing the song
I found a raven
In your armpit I held it
Till it could spread its wings
Please rewind
Please rewind
Please rewind
