Awkward Age

Less Than Jake

Late at night
I can see so clearly
They see right through meAnd I know that ten years before
I was the kid at the corner store and I still know
And at that age things are so confusing
And no matter what I tried
I still wound up losing. are things still that confusing?
And at that age, that awkward age
I knew someday that things would changeHave I been thinking too much tonight
When I think of how my life's gone by?
And at that age...
There were things that I never really knew
And I keep hearing my parents say:
"do as I say, don't say as I do."
What could I do?
