# Time to Go

## Poison Idea

Action's too fast, time's too slow
Waiting for you, when you show,
We finally meet, then I finally know,
Is it time to stay or finally go.
Well? I hear that you've met a friend of mine,
I guess it's true what they say, there's really not enough time
To do all the things I wanted to do,
Before you say, hey you're through.
No voice, no choice, can't fight, nothing to win.
Wake up, time to go, pass out, take it fast.
A night's sleep may be a soul earned, but stick around
You'll get your turn, it happens just like that.
