

It's About Time

One Night Only

So many new faces
Familiar places
But I found my tracks to their hearts
And all the people I already know
I hope they left with a place in thier hearts
Because they left with a place in my heart
Ooohh

It's about time you were back in my life
Cause I miss you honey
It's about time you were back in my sight
Cause I need you

So all of these faces
And brand new places
And a fresh start to my life
And now I know were I wanna go
I'm gonna make sure I do it just right
Cause if I don't things won't feel right
Oooh

Yes it's about time you were back in my life
Cause I miss you honey
And it's about time you were back in my sight
Cause I need you honey
But I don't need you honey
But I still miss you
But then it came so clearly
Yeah
That I dont need you anymore

My best advice is to comprehend
Ditch this tension, make amends
For the new times
Not old times
Woah ooohh

It's about time you were back in my life
Cause I miss you honey
Yes it's about time you were back in my sight

Cause I need you

Oh oh oh
