Keep It Up

Nereus Joseph

I'm down here waitin' on a shattered heart
I'm gonna put it back together if it tears me apart
If I can keep it up, if I can keep it upI've been complainin' like a broken record
Gonna get what I want if it takes forever
If I can keep it up, if I can keep it upThough the rain weighs down your wings
Still the caged bird's got to sing
Say, na na na na na na na naI know it seems funny tryin' understand
It's just that things don't always go the way you planned
Still you keep it up, still you keep it upNothin' in the world's gonna keep me down
I'm just a holdin' out, just a hangin' around
Tryin' to keep it up, just to keep it upThough the rain weighs down your wings
Still the caged bird's got to sing
Say, na na na na na na na na, hey
Na na na na na na na naKeep it up, keep it up
Keep it up, keep it upSeven four seven's gonna take us away
Take us up to heaven, gonna be okay
If we can keep it up, if we can keep it upThough the rain weighs down your wings
Still the caged bird's got to sing
Say, na na na na na na na na na
Na na na na
Na na na na na na na na na naKeep it up, keep it up
Keep it up
Keep it up, keep it up
Keep it up
Na na na na na na na na na na
Keep it up
Na na na na na na na na na na
Keep it up
