Husky Rescue

Beautiful)
(Beautiful, uh huh)Beautiful summertime cowboy
Dance and scream
Dance for me
Twist and shout
Country boy, oh please
Country boy, western cowboy
Say to me, James DeanCountry boy, summertime cowboy
Giddy up for meCountry boy
My sweet cowboy
Giddy up, for me
Wonder boy
Big city playboy
Dance for meFire boy
Red hot flame boy
Fire it up for me
Summer boy
Big strong blonde boy
Work it out, for meLaser light killed my cowboy
Summertime of love
Laser light ohhhh
Summertime is goneLaser light shot my cowboy
In the night of love
Laser light ohhhh
Country boy is goneSummertime in love
Country boy
My sweet cowboy
Summer boy in loveCountry boy
My own cowboy
Summer boy is goneCountry boy
My sweet cowboy
Summer boy in loveCountry boy
My own cowboy
Summer boy is love
