The Keeper

Letts

[VERSE 1]I got a demon in me child, it runs deep
It drags it's feet to change the dial
It's mine to keep, mine to keep[HOOK]
And when the trees fall, I count, them all falling
And when the trees crash, split, to ash I see, I see[VERSE 2]Don't be afraid of what you see, she said to me
The ages keeper looked at me
With lovers eyes, help I see[HOOK]
And when the wind, calls, you hear, it'll break free
And when trains, pass, burning ash, sailing, sailing[VERSE 3]
I had a demon in me child, it ran deep
It dragged it's feet to change the dial
No more to see, more to see
