Say You

Ronnie Dove

Say, you, over there
Please come here
Say, you, over there
Don't be afraidSay, you, over there
My name is Ronnie
I think you're
Gonna be my girlTonight, mister moon
Shines his light
Tonight, be mine
Let me hold you tight
Tonight your lips
Glisten so bright
I think you're
Gonna be my girlI know we're strangers
From different places
And it doesn't seem right at all
But when I saw your angel face
I couldn't help but callSay, you, you are
The one for me
Say, you
I'll treat you tenderly
Say, you
Oh, this just had to be
I think you're
Gonna be my girlMy girl
(Say, you are my girl)
