Make My Day

Auryn

Girl, I'm falling on my knees.
I beg you, babe; please!
Don't bring me down, don't
Mess around.
I'm easy like a breeze.Your mind is hard to read,
You're flowing with the beat.
Don't roll your eyes, don't tell
Me lies.
All I want is you to...Turn it up; Blow up the
Stereo!
Shake it out; Shock out the
Barrio!
Go ahead and make my day. (x2)Girl, you got to understand:
Your wish is my command.
Do as you want, do as you feel,
My life is in your hands.I really need to know
If you're going with the flow.
No, don't be shy, don't let me
Die!
All I want is you to...Turn it up; Blow up the
Stereo!
Shake it out; Shock out the
Barrio!
Go ahead and make my day (x2)Take me to the top and don't
Let me fall.
I don't wanna stop, we are on
The go.
Go ahead and make my day (x2)Do you wanna make my day
Are you gonna make my day... (x2)Turn it up; Blow up the
Stereo!
Shake it out; Shock out the
Barrio!
Go ahead and make my day (x2)
