Mother Turtle

Aber. INC

Mother turtle without any child
Always watching for someone to hide
Away
Stay
Gets your attention with candy and stuf
He is harmless he spits in a cup
Away
Stay

Ref.
I'm your little jester
Snorting spinal fluid
Snorting spinal fluid
Snorting spinal fluid
X4
(Accuse me for treason
You can't run that fast
Abusing my reason
The traitor within you
Dies)

Mother turtle without any child
Lives in heaven drinking and cries
Away
Stay
I can see him and his lonley eye
I can take him away from your cry
Away
Stay
